MARCHBANK TO RE-ENTER RACING SOON

Return of Famous Silks Is Important California Turf Event

J. W. Marchbank, master of Heather Farm and owner of Tanforan, today announced that he would re-enter racing as an owner this winter at Santa Anita. He will campaign a stable of fifteen thoroughbreds; fourteen of them will be 2-year-olds on January 1, and the other colt will be a 3-year-old.

Marchbank sold his stable at auction three years ago at Santa Anita, following the death of his trainer, Kay Spence. Such ranking California-bred winners as High Strike and Lady Florise, both stakes winners, went under the hammer.

The return of Marchbank's famous green, white and heather silks will be an important event on the California turf. He has often been described as the breeder of the "most useful horses in America," and his stallions, King Heather, War Cry, and Xenofol have produced hundreds of winners.

Marchbank announced that he would train his own horses this winter. This is no new role for him as he's raced, owned and trained horses for many years.

The names and breeding of the Marchbank horses follow:

Doctor Jones—b. colt by War Cry; Princess Nadette.

Scot's Pride—b. colt by King Heather; Supercharge.

Matzos—br. colt by Sweepster; Snooksie Bradley.

Carroll's Joy—b. colt by War Cry; Little Kid Carroll.

Dundas—b. colt by Xenofol;

Motorcade Greets Municipal Busses

A four-block long motorcade travelling along the proposed municipal bus route, Sunday, celebrated the advent of the arrival of Daly City's new busses here last week.

Leading the parade was the city council in an open car; followed by Chief of Police A. L. Hilton, driven by Officer Rico Benidetti; City Engineer Julius F. Castelan and family in the third car; Daly City's two busses, with the Daly City Band in the first one and passengers in the second; Fire Chief Andrew P. Chesney with A. J. Bodien, superintendent of Daly City water department; and fire trucks of companies number 1, 5 and 6, D. C. F. D., with Bert Meritt, Gino Benedetti and Tom Tallon driving.

Ambulances, cabs, Recreation department cars, and a string of seventy-five private cars gave ample indication of the public's enthusiastic reaction to a municipal transportation system.

The 35-piece Daly City band, under the direction of George Brenner, played several selections in front of the city hall. Councilman Henry Sundermann, acting as master of ceremonies, introduced Mayor Paul G. Selmi, who spoke briefly. As guest conductor, Sundermann then directed

SFPI Shows Gains In Peninsula Building

With residential building permit figures the surest index of community growth and development, the Peninsula leads all Bay communities in percentage gain in building permit values for 1939 over 1938, according to a recent survey conducted by San Francisco Peninsula, Inc.

San Mateo county, unincorporated area, reports an increase of 32 per cent in the value of building permits for the period of January through September, 1939, in contrast with the same period of 1938. This compares with a gain of 18 per cent for San Francisco county.

Council OKs Bid

Definite action on Daly City's long-delayed Brunswick street resurfacing project was taken by the city council Monday evening, when the $2,200 job was awarded to the contracting firm of Eaton and Smith, low bidders.

Work is expected to start on the job within the next two weeks, pending final approval from the State Highway commission. Funds from the quarter-cent gasoline tax will be used to defray the costs.

The council also discussed a letter to be distributed to all local citizens explaining details of the new municipal bus service, which will be inaugurated here Friday morning. A special session of the council will be held at 8 p. m. tomorrow.

Also expected to be under discussion Thursday evening is the paving of the tennis court at the Brunswick street park, and a possible re-zoning measure to permit the erection of a $25,000 building materials plant on Junipero Serra boulevard south of Knowles avenue.

JEFF INDIANS CLOSE BUSY FALL SEASON

Plan to Appear Another 14 Times By End of School Year

Closing a successful and crowded fall season, Lembi's Indians of Rhythm will make another fourteen appearances before the end of the year.

The Indians' next presentation will be tomorrow night for the Spanish-American War Veterans at the War Memorial building, San Francisco. Friday night they play for the Varsity Swing, Jefferson's last dance this semester. On Saturday they will be featured at the Amateur Rodeo in the Livestock Pavilion, Bayshore City.

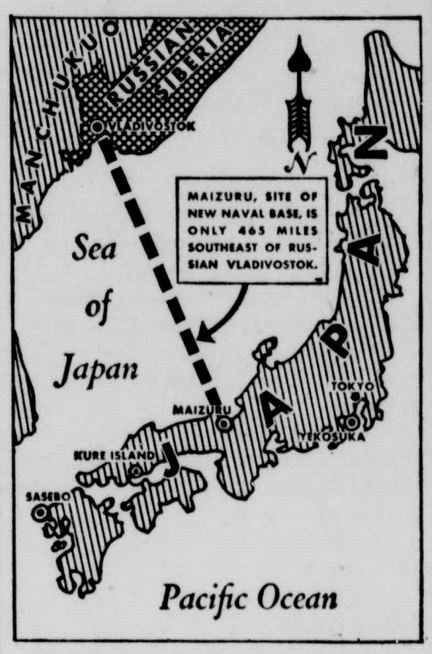
They will also play at the South San Francisco high school, at a dance given in honor of Jefferson students, December 8. El Camino theater at San Bruno will be the scene of their next performence at the San Bruno Silver anniversary celebration, December 14.

December 15, to honor their home town, the Indians will appear at the Daly City theater; and December 17, at the California Women's club in San Francisco.

Appearances for which exact dates have not yet been set include the Polytechnic high school, South San Francisco theater, Hayward high school, Half Moon Bay high school, Pescadero high school, Santa Clara high school and the Officers' party at Hamilton field.

During the semester the Indians have entertained at such places as the Palace hotel, Treasure Island, Acquatic Park and Stanford University.

Russ 'Threatened'



Japan will open its fourth major naval base Friday at Maizuru, located within striking distance of Russian Vladivostok. Russia considers the new base a dangerous threat. Other Jap bases are shown on the map.

Colma Death Leads to Suit

Two Redwood City superior court damage suits were filed Friday asking a total of $60,000 for the death of Adolph Agresti, Colma youth, and for injuries to his brother, Rico, in a Colma accident last Thanksgiving day. Each suit specified double the amount requested could be awarded if wilful misconduct could be shown on the part of the defendant.

The defendant in both actions is Frank Brown, former San Francisco mail truck driver, who was convicted of negligent homicide.

Committee Cancels Tomorrow's Bus Parade

Cancellation of the bus parade scheduled for tomorrow evening was announced today by the committee in charge of arrangements.

Beginning at Colma at 7 p. m., the proposed parade was to have covered the new bus route, the same line followed Sunday by the informal parade which welcomed the busses home.

Inability to secure music early enough in the evening was one of the reasons given by city officials for the sudden change in tomorrow's parade plans.

Inspect County Recreation Facilities

Representatives of eight Recreation committees will make an inspection tour of county recreation facilities, Friday, starting in Daly City at 9 a. m.

Centers and playgrounds in Daly City, South San Francisco, Burlingame, San Mateo, Redwood City, Menlo Park and East Palo Alto will be visited by the group and luncheon will be served at the American Legion hall in Burlingame.

Daly City's Recreation committee includes James Ferguson, chairman of the committee and principal of Jefferson Union high school; Mayor Paul G. Selmi, R. L. Crane jr., district superintendent of schools, Mrs. Anne Eason, and Mrs. M. Boyle. A. J. Bodien is co-sponsor's agent.

Service On Dec. 1

In a far-reaching endeavor to solve the pressing transportation problems of hundreds of local citizens who commute daily to San Francisco, Daly City this week inaugurates her new municipal bus system.

Beginning at 6 a. m. Friday, December 1, the service will culminate months of research and planning on the part of city officials and will be the city's second major venture into the field of municipal ownership of a public utility. Daly City already owns and operates her own water system with marked success.

With Market and Mission streets in the southern end of Daly City as their starting point, the busses will travel through Daly City to Ocean avenue and Junipero Serra boulevard, where they will connect with the "K" streetcar line to the ferry. It is estimated that the entire trip can be made in thirty or forty minutes since the busses are allowed fifteen minutes to travel from Colma to Ocean avenue; and the "K" cars, operating on a 2½ minute schedule, make the trip from Ocean to the ferry in approximately 20 minutes.

The busses will stop only at corners, will charge a 5c fare, and will operate every fifteen minutes during rush hours, from 7 to 9 a. m., and from 5 to 7 p. m. The remainder of the day, the busses will run every thirty minutes, from 6 a. m., to 10 p. m. These schedules are tentative only, Mayor Selmi pointed out, and may be changed next month if the traffic warrants it. Busses will operate only every 30 minutes on Sundays and holidays.

Exact route of the busses will remain as originally planned except that busses will turn off Mission at Crocker instead of at Wellington, as formerly planned. Leaving Mission and Market streets in the south end of Daly City, the busses will travel northerly along Mission to Crocker avenue, easterly to Hanover, northerly to Acton, westerly to Sickles, to Alemany boulevard to Junipero Serra boulevard, northerly along Junipero Serra boulevard to Ocean avenue.

On the return trip, the busses will operate along the same route until reaching Mission street and Westlake avenue, where they will proceed westerly along Westlake to Junipero Serra boulevard, southerly to Washington street, easterly to San Pedro avenue, and northerly to Market and Mission streets, the original starting point.

Mystery Blaze Destroys Automobile

A lighted cigarette was thought to have been the cause of a spectacular Wellington avenue blaze which last week completely demolished an automobile belonging to William Dunstan.

According to Daly City police, the automobile was parked in front of the office of Dr. W. C. Lynch, 101 Wellington avenue, when it suddenly burst into flames. A gallon of gas inside the car increased the fury of the conflagration.

Companies No. 1, 3, 4 and 5 of the Daly City fire department responded to the alarm, and rapidly extinguished the blaze.

Ninth Installment

History of Daly City Fire Department

(Editor's Note: This is the ninth installment of an informal history of the Daly City Fire department, dedicated to "those who serve—not for personal gain—but for the welfare of all."

Through the cooperation of William J. C. Goldkuhl, E. W. Goldkuhl sr., and Edward W. Goldkuhl jr., authors, and the Daly City Record this interesting story is made available to the general public.)

The next year, 1917, saw the election of Julius J. Nelson as Chief of the Daly City Fire Department and Mr. Jaquez as Assistant Chief. This year also through the efforts of Edward Ford brought the Daly City Fire Departments into closer contact with the fire agencies throughout the state; some of the Departments of the Daly City Fire Departments having joined the State Association of Firemen.

The year 1917 brought the great World War to the door of the United States. At the outbreak of the war and during the period in which the United States was engaged in the war, many members of the Daly City Fire Department left their roles as volunteer firemen to take up the job of soldiers for their country. All surplus cash in the various treasuries of the different companies was immediately put into U. S. Liberty Bonds. The Daly City firemen in many cases proved to be just as good soldiers as they had formerly been firemen.

Members who remained at home carried on fire protection of the City as usual, improved the apparatus and continued the affairs of the Department to the best of their abilities.

During 1918 membership changed in the companies, but as a whole, the old guard did not vary greatly. The chiefs and captains in most cases remained the same. Company Number 5 made plans to build its own fire house. It was at this time that Spanish influenza broke out as an epidemic, necessitating the closing of the Fire Department meetings. Many of the firemen or their families were stricken by this epidemic, and a great drain was placed upon the benefit funds in the various companies because of the deaths of members.

Leo Carrillo Stars In Drama As Famous Outlaw

Leo Carrillo, popular romantic comedian of the western saddle, will again wave his wand of enchantment over San Francisco audiences, when he pays a personal visit to the stage of the Curran theater beginning Monday evening, December 4, in a new comedy of authentic California history, "Red Bumble-Bee," authored by Robert Craig.

All of the warmth and exuberance that San Francisco theater patrons remember of Leo Carrillo's past performances, will be revived in the character of Joaquin Murrieta, famous outlaw of California's age of gold.

The comedy tells of an exciting romance between Joaquin Murrieta and Lola Montez, the fiery Irish dancer, whose escapades in Grass Valley near Sacramento helped to make colorful California history in the 1850's.

Tamara Geva, celebrated New York and London favorite, will appear as Lola Montez. Her distinguished career in London includes a year and a half engagement in "Idiot's Delight" and her New York successes number "On Your Toes," "Three's a Crowd" and "Flying Colors."

During the limited engagement at the Curran theater, popular matinees will be staged on Wednesdays and Saturdays.

GOOD LIGHT

You need good light to drive safely at night. The National Safety council has found that the average automobile headlamp, prior to the new Sealed Beam type, is producing less than half its possible output because of dirty or tarnished reflectors, dirty lenses and blackened bulbs.

Have your headlamps inspected. See that they are aimed and focused correctly, that they are clean and polished, that the electrical system is providing maximum voltage. Then use them correctly, dimming your lights when approaching cars.

Chesney Reports Fire Drills Were Successful

Successful completion of two recent fire drills was announced today by Chief Andrew P. Chesney, DCFD.

Ordered by the Board of Chiefs, and arranged by the Board of Instructors, the drill, given for Companies No. 2, 3 and 6 last week, consisted of an alarm from Box 613, Market and Mission streets, with the supposed fire in Belli's hay barn. The same drill was given for Companies No. 1, 4, and 5 last night.

In both instances, a few minutes after the alarm had sounded, three lines of hose had been laid around the building and a 40-foot and a 20-foot ladder erected against the building. Following the drills, a demonstration of the latest fog nozzles was given.

These drills are stepping up the speed and efficiency of the fire department to a new high standard, according to Chief Chesney.

Norway's Platinum Fox

One of Norway's rare animals is the platinum fox. It can best be seen as pelt in the fine shops of Oslo. The platinum fox is a mutation of the silver. Only some 300 pairs of it are now in existence and its pelts are among the most valuable of all furs. While Norway has few of it, the country has more than 20,000 silver fox farms and is the leading land of Europe in producing these pelts.

Newman Quotes Business Gains

California turned in another "good business" performance during October, according to Manager Carl E. Newman of the local branch of Bank of America.

Quoting the monthly business review prepared by his institution's analysis and research department, the local banker revealed that October department store sales in this state showed an average increase of 7.5 per cent over the previous month, after adjusting for seasonal variation.

Sharp improvement was also noted in employment in California's manufacturing industries. Compared with the same month a year ago, 15 per cent more workers were employed and payrolls were 20.9 greater.

An angry crowd of Colma residents threatened to lynch Brown after his automobile ran down the two Agresti boys on El Camino Real. He was taken to the county jail at Redwood City to avoid violence.

ACCIDENTS

Crashing into an iron light pole in the early hours of the morning when she lost control of her car in the fog, Shirley Marie Grafton, 20, 139 Vista Grande avenue, last Tuesday became the sixty-fifth traffic victim in San Mateo county this year.

Mother of a baby daughter, the young woman succumbed at the Junipero Serra hospital only three hours after the tragic crash.

Besides her child, she is survived by her husband, Elton W. Grafton, a U. S. Coast Guardsman.

Funeral services were conducted from a San Francisco mortuary, Friday, with interment in the National cemetery. Mrs. Grafton was a native of San Francisco.

H. S. Hubbard, Hoffman and Lisbon avenues, San Francisco, was arrested by Daly City police Saturday evening when his car careened on Mission street, struck a parked automobile in front of Pantaleoni Brothers, broke off a fire hydrant at Mission and Moltke streets and crashed into the building on the corner.

Charged with reckless driving, Hubbard was released on a $50 bail. He is scheduled to appear before Judge Wade H. Clay at 3:30 p. m. Friday.

Give Refrigerator As Christmas Gift

With that jolly, rotund old fellow, Santa Claus, preparing for another of his yearly visits, attention currently is being directed toward the question of gifts, for the Christmas spirit is based largely on the idea of presenting gifts that bring the greatest possible pleasure.

"The thought that goes into selection of a gift usually determines the satisfaction it will bring the receiver," believes Belli Hardware company, local Frigidaire dealer. "And in selecting a gift, the choice of one that has permanent value is the most worthwhile gift of all. Into this classification falls the modern electric refrigerator that every year is the favorite Christmas present of thousands of women.

"A woman's daily household activity is linked closely with her food keeping method. No wonder she welcomes with enthusiasm the dependable, carefree food preservation offered by a modern electric refrigerator. Day after day, for years, it saves food, money, labor and time."

2 teaspoons baking powder
1 teaspoon cinnamon
½ teaspoon nutmeg
1 teaspoon allspice
¾ cup sour milk
½ cup citron (cut)
1 cup raisins
1 cup nut meats (broken)
1 teaspoon vanilla extract

Cream butter, add sugar, and beat thoroughly. Add eggs (well beaten).

Mix and sift together all dry ingredients, reserving ¼ cup of flour. Add flour mixture and sour milk alternately—beginning with the flour mixture. ¼ teaspoon salt

Cream the fat. Gradually cream in the sugar. Add the grated orange peel and beaten egg, and gradually add the orange juice.
